COMPANY FORMATION

Trade licenses define the specific areas of operation of businesses. The Dubai economy is diverse and these regulations play a large part in growing the industries and businesses. These trade licenses control the industry, guide business processes, enable better business relationships in the market, and determine companies' jurisdiction for transparency and better service for customers. To determine which of the four common types of trade licenses is most suitable for your business in Dubai, UAE, it is best to discuss your needs with a business formation specialist at Trade License Zone.

- **Mainland License**
- **Freezone License**
- **Offshore License**

COMPANY FORMATION MAINLAND LICENSE

Mainland companies are incorporated in accordance with the Department of Economic Development's regulations and are permitted to do business within the UAE, free zones, and offshore. However, if the company is established by a non-UAE national, they can only hold 49% of the company's shares; the rest must be held by a local sponsor. The company is also required to have office space and receive government authorization to incorporate.

Types of Mainland License

- Commercial License for general trading businesses
- Professional License for service-related businesses
- Industrial License for manufacturing goods
- Tourism License for travel and tours

Some Important Features

- No trade restrictions
- No minimum capital requirement
- Residence visa possible
- 100% Expat Ownership for Mainland Companies

COMPANY FORMATION FREE ZONE LICENSE

Free Zones are economic areas with advantageous tax and economic policies where goods and services can be traded within that area. In the UAE, each individual free zone has a specific focus on one or two commercial categories, such as creative and media companies. Although free zone companies are not allowed to trade outside their free zone, you can work with the distributor who can put your goods or services into the local market.

Types of Free Zone License

- Free Zone trading license
- Free Zone general trading license
- Free Zone consultancy/service license
- Free Zone industrial license
- Free Zone commercial license

Some Important Features

- For free zone incorporation, little paperwork is required
- Exempt from corporate, personal & VAT, import & export taxes.
- Company may also qualify for a residence visa or permit
- 100% foreign company ownership
- No UAE national is required on the Board of Directors

IMMIGRATION SERVICES

TOURIST VISA

A tourist visa is for those who are not eligible for a visa on arrival or a visa-free entry to the UAE. A tourist visa can be obtained for eligible individual tourists from around the world. Females below the age of 18 are not eligible to apply for this type of visa unless they are traveling with their parents..

Types of Tourist Visa

- Visit Visa
- Tourist Visa/Business Visa
- Tourist Visa
- Transit Visa for 96 hours
- Multi Entry Long Term Visa

IMMIGRATION SERVICES WORK PERMIT

Whether you moved to the UAE for a job offer or are a school student who just landed their first job, everyone in the UAE workforce needs to ensure that they have a work permit in place, issued by the right authority. For the private sector in the UAE, if your company is on the mainland (and not a free zone), this authority would be the Ministry of Human Resources and Emiratization (MOHRE)

Types of Work Permit

- Work permit under the residence of relative permit
- Juvenile work permit
- Student training and employment permit

GOLDEN VISA

In 2019, the UAE introduced a new system for long-term residence visas called Golden Visa. The new visa classification enables foreigners to live, work and study in the UAE without the need of a national sponsor and with 100 percent ownership of their business on the UAE's mainland. These visas will be issued for 5 or 10 years and will be renewed automatically.

Types of Golden Visa

- Dubai Golden Visa
- Portugal Golden Visa

GOLDEN VISA DUBAI

The Golden visa is a long-term residence visa that enables foreign talents to live and work or study in the UAE.

Some Important Features

- An entry visa for six months with multiple entries to proceed with residence issuance
- A long-term, renewable residence visa valid for 10 years
- A self-sponsored visa, as there is no need for an employment sponsor
- Ability to stay outside the UAE for more than the usual restriction of six months in order to keep their residence visa valid
- Sponsoring their family members, including spouses and children regardless of their ages
- Sponsoring an unlimited number of domestic helpers allowing family members to stay in the UAE until the end of their permit duration if the primary holder of the Golden visa passes away.

GOLDEN VISA PORTUGAL

The Portugal Golden Visa program, also known as the residence permit for investment activity (ARI), is a residency by investment scheme designed for non-EU citizens.

Portugal launched the program in October 2012. The main objective was to attract international capital into the country, as it was much in need after the 2008 economic crisis. The program proved to be a great success, raising over €6 billion since then.

Some Important Features

- You can qualify for residency by investing €280,000 which is one of the lowest investment thresholds in Europe.
- You don't have to move to Portugal to keep your residence permit. Staying in the country for seven days on average per year will suffice.
- You can be eligible to apply for Portuguese citizenship in five years. This is one of the quickest in Europe.
- Once you become a Portuguese citizen, you get visa-free access to 188 countries.
